I'm here to help you find care for your loved one.

It all starts with a conversation where we assess your loved ones needs, we then suggest a care plan and then if you choose our care.

We walk you through the entire process.

Welcome to Ash Lodge Care Home with Nursing.

Caring is both our profession and our passion and you can be assured of the highest standards from our professional, highly trained staff.

We understand that choosing a Care Home can be an emotional journey for you and your family and we are committed to supporting you to make the right choice for your loved one.

We understand our residents.

Ensuring the happiness and well-being of our residents is our utmost priority. Our rigorous assessment procedures and care planning systems mean that we understand and meet our residents' personal needs.

Why choose Ash Lodge Care Home for your loved on.

We treat every resident as an individual and understand that we have been given the most precious person in the world to look after. We are small enough to care.

We will try to answer the many questions that you will no doubt have and if we don't have the answer we will signpost you to the relevant source.

Providing exceptional care.

Our Home is family owned and the directors, managers and staff are passionate about providing exceptional care within a modern purpose built surroundings but with a homely atmosphere. The Home cares for 70 residents with a range of nursing needs.

Our highly experienced and professional staff are on hand 24 hours a day to provide the individual level of care necessary for every individual resident at Ash Lodge Care Home with Nursing.

Live with Dignity

We recognise and promote each individual's privacy, dignity, lifestyle preferences, right to make choices and the right to participate in their own care.

Each Residents is Individual

We focus on each resident as an individual and strive to meet physical, social, emotional and spiritual needs in a non-discriminatory setting.

Maximum level of Care

We strive to promote the maximum level of health, independence, coping skills, self-confidence, self-esteem, community and family involvement for everyone in our care.

Ageing is not a Limitation

We believe that ageing is a natural and normal life process. Age does not limit or change a person's right to experience life to it's fullest through self-determination.

Everyone is Unique

All individuals are unique and have the right to participate in decisions affecting their welfare and future.

We believe in our Team

We are dedicated to maximising job satisfaction and the knowledge of our team through appropriate induction, on-going training and recognition. After all, it is them on whom we depend to achieve an optimum quality of life for our residents.

24/7 Peace of Mind

Our aim is to provide the freedom of home and more choice for social interaction whilst feeling assured that our residents will receive 24-hour quality care, 365 days a year. We also offer our support and advice to all the family.

Purpose Built Home

Ash Lodge Care Home was a purpose built in 1997 to provide quality care to our residents in quality and homely surroundings

Feels Like Home

We encourage our residents to bring along their personal items in order to make their rooms a "home away from home". Mealtimes are a social occasion at Ash Lodge and we cater for special diets such as diabetic, soft food, Asian, Afro-Caribbean or vegetarians.
